ORDER

Pending before the Court is Plaintiffs' Unopposed Motion to Authorize Payment to Class Members and to set a Final Deadline for Inclusion in the Distribution (Dkt. #153). The Court, having considered the brief and declarations in support thereof, hereby **ORDERS** as follows:

¹ The Court may exercise jurisdiction over this motion because the Court explicitly reserved jurisdiction over the “administration and consummation of the settlement,” ECF No. 151 at 3, because the motion relates to administration and consummation of the settlement, and because no notice of appeal has been filed, *cf.* 16A Charles Alan Wright & Arthur R. Miller, *Federal Practice & Procedure Jurisdiction* § 3949.1 (5th ed. 2019).
